

Block of the month July 2006

Select a white on white background fabric

You will also need a  $4 \frac{3}{4}$ " square for the center and a red and a blue fabric for the star points.

From background cut one  $7 \frac{1}{4}$ " square cut on both diagonals and four  $3 \frac{1}{2}$ " squares.

From red fabric cut one  $7 \frac{1}{4}$ " square. Cut along both diagonals.

From blue fabric cut two  $3 \frac{7}{8}$ " squares. Cut each on the diagonal forming four triangles.

Make four corner units:

Sew background squares to blue triangles with right sides together, having the squares on top. The triangles should be on the left when finished. Press toward background.

Sew red triangles to corner units as shown.

Assemble block as shown in diagram.
